

Important Changes to Adjunct and Non-Student Wage Employee Parking Options

The University's Parking & Transportation department will be offering a **Rappahannock Roof ONLY permit for \$56.00 for the Spring Semester (valid through May 31, 2018)** for Adjunct Faculty and Non-Student Wage Employees. This permit guarantees parking on the roof (5th level) of the Rappahannock River Parking Deck. An access device is required for entry and exit to the 4th & 5th levels of the parking deck. This access device can be picked up at the Parking Services office. Again, with this specially priced permit you must park on the roof of the Rappahannock River Parking Deck unless otherwise instructed.

The rates on the Adjunct Lite permit, validations for select visitor areas, and permits for Non-Student Wage Employees will revert back to their previously unsubsidized prices. Those prices are as follows.

- Adjunct Lite Semester: \$105.00 (expires on May 31, 2018)
- Adjunct Lite Annual: \$135.00 (prorated price for this permit, expires on August 15, 2018)
- One block of 15 Shenandoah Deck or Mason Pond Deck validations or 15 use codes for Rappahannock Deck: \$112.50
