

Dear Arlington Campus Students, Faculty and Staff,

This year, General will be priced at \$425 for an annual parking permit \$235 for a semester parking permit

An annual Founders Hall reserved parking permit is \$550.

The Founders Hall Daytime (5AM – 6PM) and Evening (2PM – 2AM) reserved parking permits are \$450 for the academic year.

The Founders Hall permits are reserved parking permits that will guarantee you a space in The Founders Hall garage. Founders Hall reserved parking permits do require an electronic access device that will allow you to enter and exit the parking garage. These devices can be obtained at the Arlington Parking Services Office located on the 2nd floor of the Founders Hall Building in room 219. If you already have a Founders Hall garage access device, we will automatically renew upon purchase of a new 2015-2016 Founders Hall reserved parking permit. Faculty and staff on payroll deduction will automatically have their permits and access cards renewed as well.

All Arlington General Parking will now be solely located in the Metropolitan Building Garage at 3434 Washington Boulevard. There will now be a dedicated parking area for faculty/staff on a portion of level B-3 of the Metropolitan Building garage. We will also have access to level B-4 for all faculty/staff and students after 6PM. The Metropolitan Building Garage also requires an access device, which can be obtained in the Parking Services Office in Room 219 of Founders Hall. There is no charge for this device if receiving it for the first time. If you already have an access device, then it will be automatically renewed for the upcoming school year upon purchase of a new 2015-2016 Arlington General permit.
