

Parking permits for the 2016 Spring Semester will go on sale starting on Thursday, December 17th, 2015 ONLINE ONLY.

For those purchasing permits with cash or Mason Money in person, permit sales begin January 5th. **Any permits purchased “in person” will still be fulfilled by mail.** We will have a limited number of reserved Shenandoah, Rappahannock River, and Founders Hall Parking Deck reserved permits; Lot I reserved permits; and Arlington General permits available on a first come, first served basis.

Purchasing a Spring/Summer permit over a semester permit will save you money in the long run. For example the purchase price of a Spring semester general lot permit is \$215 (non-resident price) and the purchase of a Summer semester general lot permit is \$120 (non-resident price). The total price of those two permits comes out to be \$335. The purchase price of a Spring/Summer permit is \$240. **By purchasing a Spring/Summer permit now you will save \$95.**

If purchased separately:	Spring	Summer	Spring/Summer	Total
Non-resident General semester permit	\$215	\$120	N/A	\$335
Non-resident General Spring/Summer permit	N/A	N/A	\$240	<u>\$240</u>
				Amt saved: \$95

Carpool Zone in Lot A and Rappahannock Deck (Level 1) – General Parking Permit ONLY

Anyone with a General student or faculty/staff parking permit that carools to campus can park in these areas. Carpooling is when two or more people ride in the same vehicle. The carpool zone in Lot A will be open 6am-11am on Monday through Thursday, and the carpool zone in the Rappahannock Deck will be open 6am -11am on Monday through Friday. During all other times, the area will be regular general permit parking.

How it Works: Arrive to a carpool zone with at least one other person in your vehicle between the hours of 6am and 11am on any day between Mon – Fri. An attendant from Parking Services will be present to ensure that only those who carpool are allowed to park there. Those driving alone will not be able to park in the Carpool Zone.

Motorcycles, Mopeds, and Motorized Scooters:

All motorcycles, mopeds and motorized scooters will be required to have a permit displayed when parking on any of George Mason University's campuses. Motorcycles, mopeds and motorized scooters will no longer be allowed to park at bike racks/shelters. Parking will only be permitted in dedicated motorcycle parking areas with a motorcycle permit, or in a regular vehicle space with a valid parking permit (lockable permit holders can be purchased at the Fairfax Parking Services Office for \$25). A dedicated motorcycle/moped/scooter permit can be purchased online for \$60/year, or \$30 as a supplemental permit when purchased with a regular vehicle permit. If you have a moped or motorized scooter that has not been registered with the DMV (no license plates), then you will need to purchase your permit at the Parking Services Office.

Payroll Deduction Parking Permits - if you are currently on Payroll Deduction, there is nothing further that you need to do

Annual Parking Permits – If you have already purchased an Annual Permit there is nothing further that you need to do.
