RE: Summer Camp Logistics

It is that time of year again and summer camps are here! We want to make sure that your camp experience is a great one and with the construction going on around campus, parking can be a little difficult. To ensure you have one less thing to worry about we have made the following surface parking lots and parking within our three parking decks available for pick up and drop off:

- Lots C & J

- The first 30 minutes of parking in the visitor sections of the Shenandoah and Mason Pond Parking Decks will be complimentary. In the Rappahannock River Parking Deck, 30 minute complimentary parking will be available in the General permit area on a portion of the 1<sup>st</sup> and all of the 2<sup>nd</sup> floors (excluding the segregated 1<sup>st</sup> floor visitor parking area).

Buses - if you need bus parking or buses to drop off and pick up, prior arrangements need to be made with the Parking Services Office. Please call 703-993-2065 or email [separk12@gmu.edu](mailto:separk12@gmu.edu) to discuss arrangements.

Anyone parked outside of these designated areas, or in a restricted or reserved area, without the proper permit, is subject to being ticketed and towed at the vehicle owner's risk & expense.

Please visit [http://parking.gmu.edu/GMU\\_FairfaxMap14\\_Parking.pdf](http://parking.gmu.edu/GMU_FairfaxMap14_Parking.pdf) to familiarize yourself with the available parking options.

It is also a good idea to visit [building.gmu.edu](http://building.gmu.edu) to learn more about the construction going on around campus, as there will be road closures and detours this summer.

If these parking options do not work for you, or if your camp has other requirements, please contact us via email, so we can make other arrangements. If you have any other questions, please contact [separk12@gmu.edu](mailto:separk12@gmu.edu)

Thank you.
