

Beginning Wednesday, January 20, at 11 p.m., Lot L and two sections of Lot K will close to accommodate bus parking for a special event at EagleBank Arena on Thursday, January 21 and Friday, January 22. To accommodate this closure, the following overflow parking options will be available:

- Rappahannock River Deck (roof and level 3 reserved areas)
- Field House general lots
- West Campus lot

On Thursday, January 21, in addition to the regular West Campus shuttle schedule, increased shuttle service will be added from the Field House and West Campus lots from 10 a.m. to 3 p.m.

If arriving to the Fairfax Campus after 10:30 a.m. on Thursday, January 21, drivers are advised to go directly to Rappahannock River Deck or the Field House to park. Expect heavy traffic on campus and around Lots L and K on Thursday from 5-7 p.m., 10-11 p.m., and Friday from 11 a.m. to 12:30 p.m. We recommend avoiding the Roanoke River Road entrance to campus and use alternative entrances.

Please follow the direction of any University personnel directing traffic or directing you to available parking.
