Election Day Parking and Traffic Advisory – Arlington Campus

George Mason University's Arlington Campus serves as a polling place for the local community. For the General Election on Tuesday, November 7, expect heavy traffic going in and out of the Founders Hall Garage throughout the day.

To avoid delays, drivers may want to consider using alternate transportation options.

Polls are open from 6 a.m. to 7 p.m. on Election Day. Voting will occur in the Founders Hall Multipurpose Room.

For questions or concerns, contact arlops@gmu.edu.
