

Traffic Advisory: High School Graduations at EagleBank Arena-June 9-21,2017

High school graduations at EagleBank Arena are taking place this month. Attendance at the ceremonies ranges from 2000 to 6000 each and lasts approximately two hours.

Be prepared for heavier traffic up to 90 minutes prior to each ceremony and allow more time to drive to and from campus. Traffic is primarily busiest along Braddock Road but location of the graduating high school influences the direction from which traffic approaches campus.

Mason faculty, staff and students are advised to use the Rappahannock River Parking Deck or the Field House parking lots to avoid traffic. Shenandoah Deck Levels 4/5 will be open on weekdays when graduations are occurring for limited overflow student, employee, and event parking.

Visit Parking and Transportation's Facebook and Twitter pages for updates. Contact Parking Services at parking@gmu.edu or 703-993-2710 with questions.
