### Parking & Traffic Impacts: November-December 2017

There are several events and a construction activity in November and December that will have parking and traffic impacts on the Fairfax Campus.

For each of these, it is highly recommended to:

- Allow extra time commuting to and from campus
- Avoid the southern end of campus off Braddock Road near EagleBank Arena
- Expect event traffic for up to 2 hours before the doors open
- Expect traffic delays on Mason Shuttles routes
- Allow extra time for commuting
