Road/Parking Construction Impacts Summer 2017 – (Phase II: July 24-August 23)

Over the next month before the Fall Semester begins, there are a few construction and maintenance projects happening around the Fairfax Campus that will have varying degrees of parking and traffic impacts besides the projects that began earlier this month:

<http://parking.gmu.edu/PDF2017/RoadConstructionImpactsSummer2017062217final.pdf>

Expect delays on Patriot Circle between George Mason Blvd. and Finley Lot and on George Mason Blvd. into campus off University Drive as paving and striping work finishes over the next two weeks.

The next round of parking lot closures for re-paving and re-striping include:

- 1) Monday, July 24- Wednesday, August 2: Lot A East will be closed. The entire east side of Lot A between Mattaponi River Ln in the middle of the lot and Nottoway River Ln (by Lot C), as shown here: http://parking.gmu.edu/PDF2017/LotclosuresK-A_July-Aug2017.jpg will be closed for concrete repairs and for that half of the lot's asphalt to be sealed and re-striped.

Please use other General permit parking areas to include Lots C, L and K. Portions of Lot A West (between Mattaponi River Ln and Po River Ln/Lot L) will remain closed as indicated by orange barricades and signage through July 28.

Thursday August 3-Friday August 4: Lot A West between Mattaponi River Ln in the middle of the lot and Po River Rd by Lot L will be closed

- 2) Saturday, August 5- Thursday, August 10: Lot K, with the exception of two small sections, will be closed for re-paving and re-striping as marked here on this map: http://parking.gmu.edu/PDF2017/LotclosuresK-A_July-Aug2017.jpg
General permit parking is available in Lots A, C, L, the PV Lot and the first two levels of the Rappahannock River Parking Deck excluding the paid visitor area..
- 3) Wednesday, August 9-Friday, August 11: Portions of Sandy Creek Way and York River Road near the Shenandoah Parking Deck will have asphalt milled, paved and remarked.

-Patriot Circle between the traffic circle at Mason Pond Dr and Campus Dr will be milled and paved. The RAC shuttle stop for the Fairfax-SciTech and Gunston Go Bus routes will be closed August 9-11. The exit from the parking in front of the RAC will be closed.

-Entrances and exits in Shenandoah Deck will be closed at times.

Milling will take place during the day time on August 9 in these areas, with paving work taking place during the evenings after 8pm.

- 4) Thursday, August 3-Saturday, August 5: Occoquan Lot and Edwin King Lane will be closed at the SciTech Campus for milling and paving. George Mason Circle between the King Lot and Edwin King Lane will be milled and paved as well.**
- 5) Thursday, August 3-Saturday, August 12: Fairfax Water will be milling, paving, and striping Roanoke River Rd between Braddock Rd and Patriot Circle. There will be lane closures and detours. Expect delays and avoid this area if possible.**
- 6) Wednesday, July 26-Wednesday, August 23: Preventative maintenance repairs are being made in the western portion of the Rappahannock River Parking Deck. Various aisles will be closed to traffic and parking on each level as repairs are conducted. The Level 2 exit onto University Drive will be closed at times.

Sidewalk Repairs – Fairfax Campus

Monday, July 17 through Friday, August 18, from 6 a.m. to 6 p.m., Finely Asphalt will be on the Fairfax Campus to repair broken/deteriorated sidewalks, curbs, and gutters. A crew will travel through housing areas and the center of campus to perform these repairs. All safety precautions, including traffic and pedestrian assistance, will be in place.

Information on all these projects will be updated at building.gmu.edu and @MasonParking on Twitter as it becomes available. All schedules may change and are weather dependent.

If you have any questions, email parking@gmu.edu. The University appreciates your patience and cooperation as projects continue and repairs are made.
