

WEST CAMPUS PARKING LOT AND SHUTTLE INFORMATION

Freshman residents who have a vehicle are required to purchase the West Campus permit and must park in the West Campus Parking Lot from 7am-8pm Monday through Friday. West Campus permits are valid in the student general lots after 8pm M-F and all day on Saturday and Sunday. West Campus permits are also valid in faculty/staff lots G and H during these times. They are not valid at any time in Lot I. All vehicle traffic must enter/exit the lot via Braddock Rd. West Campus permit are not valid on Rapidan River Rd by the athletic fields. In order to transport students from the West Campus Parking Lot, there are the new Green and Gold Campus Circulator shuttles. All students and employees are welcome to use the free shuttle as it drives around campus.

There are two shuttles running simultaneously Monday-Friday with the Green Circulator starting at the Sandy Creek shuttle stop and the Gold Circulator starting at the West Campus Lot.

The Green Route Circulator will stop at: Presidents Park Circle, Masonvale faculty/staff housing, the new CUE bus stop adjacent to the Rappahannock River Parking Deck, the Field House, and the West Campus lot.

The shuttle stop at the West Campus Lot is located on the north side of the lot closest to the athletic fields-as a reminder all vehicle traffic must enter/exit the lot via Braddock Rd.

On Sundays and holidays, shuttle service does not begin until 2:00pm with the last departure from the West Campus Lot at 1:00 am. Departures Monday through Friday are approximately every 20 minutes.
