

**George Mason University  
Parking Services  
Arlington (Metropolitan)  
Access Card Acknowledgement**

**Name:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Student ID:** \_\_\_\_\_ **Access Card#:** \_\_\_\_\_

**Replacement Access Card#:** \_\_\_\_\_

Access cards must be returned to Parking Services when you no longer require their use. The fee for a replacement access card in Arlington (Metropolitan) will be \$25.00. This process will follow the current Parking Policy procedures of \$25.00 for lost access cards or \$25-75 for lost permits.

Access cards are not transferable to other persons, as per current parking policies pertaining to cards and permits. Use of a card without a valid Arlington permit displayed may/will result in a citation for violation of current policy requiring proper permit display. Providing admittance to anyone who does not possess a permit is not permitted. No admittance is authorized or will be arranged for persons with lost, missing, or forgotten cards, other than by completing the procedure for a lost access card/permit. Violations of policies can/will result in actions up to and including: revocation of parking privileges and /or administrative action(s) by the University. **Vehicles shall only enter and exit through the gates one vehicle at a time.**

You are advised to review the Parking Services website at the beginning of each semester to check for policy change notifications. The Motor Vehicle Parking Procedure policy is subject to change. All change notifications will be posted on the web site for GMU Parking Services. All questions, needs, or concerns pertaining to access cards are to be directed to Parking Services.

I have read and understand the above information. I agree to abide by the policies and procedures pertaining to Arlington (Metropolitan) access as stated above.
