*Permits can be purchased in advance of their use and are good for any General Permit area on the Fairfax and Prince William Campuses (does not allow parking in reserved, admin, faculty/staff, state vehicle spaces, or disabled spaces without proper ADA tags). Printable permits are not valid at the Arlington Campus without prior authorization. You must print the permit in order to use it. If you just print and display the receipt, you can still be cited for not having a valid permit. Permits are limited to one car per permit. Should you require a permit for two vehicles, then you will need to purchase two permits. Furthermore, any permits found without a matching license plate are subject to a $375 fine.
