Carpool Zone in Lot A and Rappahannock Deck (Level 1) – General Parking Permit
ONLY

Anyone with a General student or faculty/staff parking permit that carpools to campus
can park in these areas. Carpooling is when two or more people ride in the same vehicle. The
carpool zone in Lot A will be open 6am-11am on Monday through Thursday, and the carpool
zone in the Rappahannock Deck will be open 6am -11am on Monday through Friday. During all other times, the area will be regular general permit parking.

**How it Works:** Arrive to a carpool zone with at least one other person in your vehicle between the hours of 6am and 11am on any day between Mon – Fri. An attendant from Parking Services will be present to ensure that only those who carpool are allowed to park there. Those driving alone will not be able to park in the Carpool Zone.

**Motorcycles, Mopeds, and Motorized Scooters:**

All motorcycles, mopeds and motorized scooters will be required to have a permit displayed when parking on any of George Mason University’s campuses. Motorcycles, mopeds and motorized scooters will no longer be allowed to park at bike racks/shelters. Parking will only be permitted in dedicated motorcycle parking areas with a motorcycle permit, or in a regular vehicle space with a valid parking permit (lockable permit holders can be purchased at the Fairfax Parking Services Office for $25). A dedicated motorcycle/moped/scooter permit can be purchased online for $70/year, or $30 as a supplemental permit when purchased with a regular vehicle permit. If you have a moped or motorized scooter that has not been registered with the DMV (no license plates), then you will need to purchase your permit at the Parking Services Office.
