Winter Break parking information for surfaced reserved, Lot M&P, and West Campus permit holders

Starting Friday, December 5th, 2014 at 5:00 PM, if you have a Mason Pond, Shenandoah, Lot I, Lot J, Lot R, Lot M/P, or West Campus permit you will be able to park in non-restricted parking spaces in the General permit areas of the Fairfax campus. This exception will carry through the Winter break until Tuesday, January 20th, 2015 at 7AM when classes resume. The Parking Services Office will begin to enforce the regular reserved lot/surface lot restrictions starting at 7:00 AM, Tuesday, January 20th, 2015. Enforcement of the restricted parking zones (Faculty & Staff, Handicapped, Admin, Service & Repair, Load & Unload, etc.) will still be in effect for the entire duration of the Winter Break.

During this time, you will also be able to park on the first two levels of the Rappahannock River Parking Deck that are designated as General permit parking. This pertains to levels 1 and 2 with the exception of the segregated area designated as Visitor Parking on level 1 (the part of the deck closest to Starbucks). The overnight restrictions in the Rappahannock River Parking Deck General permit area will also be waived during this time frame through Tuesday, January 20th, 2015 at 7AM.
